## Radio Certification

## **BTSWAUX Regulatory Label**

content, size and position

Device Name:

FreeEMG 300

Model Name:

**BTSWAUX** 

Regulatory Body: FCC Regulatory Body: Industry Canada

ID: YQH-BTSWAUX ID: 9188A-BTSWAUX

Category: N/D Category: Class I radio device

The device is too small for a label, so the regulatory labelling (FCC ID, IC ID, EU Medical Devices, EU WEEE) is placed in the manual.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC ID: YQH-BTSWAUX IC: 9188A-BTSWAUX
